Transfer from the hotel to the exclusive and private **Club de Golf La Moraleja III**. You will enjoy the golf course playing with our local PRO.

Campo III at Golf La Moraleja, is a Jack Nicklaus Signature Golf Course that opened in 2013 and enhances Golf La Moraleja's already impressive offering of Nicklaus Design golf courses. The design has transformed a previously flat terrain by introducing small hills of varying significance at different locations in order to create a course with multiple play options on almost all the holes. The course was ranked the third best in Spain by Golf Digest.

FOR NON GOLFERS: You will meet your Finest Golf guide in the lobby of your hotel and spend the morning discovering historical and artistic Madrid. You will visit the Old Quarter, seeing sights such as Puerta de Alcalá, Cibeles Fountain, Palacio Real and Plaza Mayor. You will also enjoy the famous Spanish food market Mercado de San Miguel.

Day 4. Barcelona

Transfer to **Real Club de Golf del Prat**, designed by Greg Norman.

45 unforgettable holes that can be split up into five 9-hole courses, giving a combination of up to **9 different courses**. There are usually 2 main courses open: **OPEN**, where major tournaments are played, and **BLUE**, better suited to all levels of play. RCG El Prat offers multiple variations on how to play your round, providing an infinity of experiences by allowing players to change courses. Each stroke is different from the last. The fairways make the most of the soft natural slope of the terrain. This allows the 45 holes to preserve the area's autochthonous features: wooded areas, open spaces, farmland, natural drainage, sloping hills, etc...

The greens are large and rolling, allowing great variety in pin placement.

NON PLAYERS: Gaudi and modernist art. A "must see" experience if you are an art lover.

FOR ALL: We encourage you to get hands on with a private cooking class. We can also arrange a gourmet tour or a table reservation at the city's best restaurants.

Day 5. Barcelona-Gerona

Transfer by luxury van to **PGA Catalunya** golf resort. (1.30h)

This spectacular and imposing course has been consistently ranked among the best ten golf courses in Europe since it was opened in 1999 and was recently voted #77 in the world, #3 in continental Europe and #1 in Spain. As the venue for numerous PGA European Circuit tournaments, it is also routinely singled out for praise from the professional playing fraternity.

Be warned, however, the beauty of the course can distract from the many dangers waiting to do serious damage to your scorecard. It makes no concessions with its trees pressing onto fairways, strategically placed bunkers and the lakes that come into play on no fewer than seven of the toughest holes. This is a quality that keeps players returning time and again to test themselves. It is rare to find so many memorable holes on one course and despite the many ups and downs, tees are elevated and very few fairways are uphill. The stunning dogleg of hole 6 is one of them and it demands nothing less than a driver and total commitment.

NON GOLFERS: Explore the Mediterranean, and the medieval villages of the Costa Brava, including La Bisbal, Peratallada and Pals. Stop for a quick lunch before moving on to Figueres for a guided tour of the incredible Dali Museum. At the end of the tour, transfer back to Barcelona.

Day 6. Barcelona- Palma Mallorca

Flight to Palma. Transfer to the 5* hotel. Transfer to **Club de Golf Alcanada**. Designed by renowned architect Robert Trent Jones Jr, Club de Golf Alcanada's 18-hole course opened in 2003. Situated in the northern part of the Mediterranean island of Mallorca, Alcanada is located right by the sea and the 6,499-meter lay-out (7100 yards) blends naturally into the typical Mallorcan landscape. The club takes its name from a nearby island just off the shore which, complete with its own lighthouse, can be seen from most of the holes. Apart from the splendid sea views, players are surrounded by pine and olive groves throughout their round and, even though a young course,

Alcanada is already recognised by a number of well known golf magazines and golf guides as one of the finest courses in Spain and Europe.

NON GOLFERS: A visit to the small village of Alcúdia. The vibrant northern town of Alcúdia is truly a year-round destination, full of life, history and culture throughout the seasons. Situated just one kilometre inland from the famous holiday resort of Port d'Alcúdia, it's the ideal place to sample the rich Mallorcan heritage, without having to stray too far off the beaten path. The historic centre of Alcúdia is enclosed by **Mallorca's only entirely preserved town wall**, erected in the 14th century by King Jaume II to protect Alcúdia's inhabitants. It wasn't, however, enough to keep out the marauding pirates who attacked the city again and again in the 16th century, causing many of the population to flee. Today, it's hard to believe that this bustling town was once at risk of being deserted completely. Thankfully, in 1779 the construction of a harbour saved Alcúdia from decline.

As soon as you pass the gates, you cannot help but feel enchanted by the **restored ancient centre**. Once hectic streets have been converted into a **large pedestrian precinct**, which invites you to stroll and browse.

Day 7. Mallorca

Relaxing day on a luxury yacht. Enjoy a wonderful day at sea as you discover the beauty of the Bay of Palma. On this full-day boat excursion you'll cruise along the northern coast of Mallorca, stopping along the way to swim and snorkel. A special local lunch, accompanied by sangría and cava (our Spanish champagne) will be served on board. You will discover beautiful white sand beaches, accessible only by boat.

Alternatively, the itinerary can be adapted to take in another of the fantastic local golf course
